

2nd Notification for the

Fourth Austrian Archaeometry Congress

**QUARTUS CONVENTUS AUSTRIACUS ARCHAOMETRIÆ
SCIENTIÆ NATURALIS AD HISTORIAM HOMINIS ANTIQUI INVESTIGANDAM
MMXII**

Dear Friends and Colleagues,

in almost two months, the Fourth Austrian Archaeometry Congress will take place in Salzburg! In keeping with tradition, Friday the 11th of May will enjoy an emphasis on Anthropology and related fields and Saturday will be dedicated largely to geo- and material sciences.

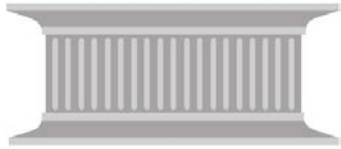

In the event that you have registered to present a paper or poster, we kindly request that you send us your abstracts **by 30 April 2012 at the very latest**. Please use the following template and send your abstract to archaeometrie@sbg.ac.at:

All poster authors are warmly invited to submit their poster as a pdf file to the address listed above. We will post your poster online on the congress website, see: <http://archaeometrie.sbg.ac.at/archiv.html>

Protocols and Working Guidelines

Please see: <http://archaeometrie.sbg.ac.at/downloads.html>

In the download section of our congress website we have provided a platform for working guidelines for sampling as well as documents and forms related to the taking of samples. In order to adhere to the guidelines of individual disciplines, institutions and laboratories, we accept documents specific to individual institutions provided they are accurately labeled. Please submit additional forms in electronic form to archaeometrie@sbg.ac.at.

All current versions will be provided as an appendix in the published congress proceedings - this bonus information will appear for the first time in print in ArchaeoPlus Vol. 4!

With kind regards and on behalf of the organizational committee,

Jan Cemper-Kiesslich, Felix Lang, Kurt Schaller, Christian Uhler,
Michael Unterwurzacher und Doris Knauseder
